

Redevelopment of Surrey County Hall and the Bittoms Car Park

November 2020

WELCOME

Welcome to the second Virtual Exhibition for the County Hall and Bittoms Car Park site. This event follows from the first round of consultation held in September. The proposals shown here have been developed in direct response to the feedback received in September and October.

Please take the time to read all the information shown and please let us know your comments via the online feedback form on the final board of this virtual exhibition.

The original 1893 County Hall

The Site: Kingston Town Centre

The site falls within Kingston Town Centre which is designated as an Opportunity Area within the emerging London Plan. Across the Opportunity Area, land is required for 9,000 new homes over the next 10 years.

Who is the developer?

Surrey County Council are progressing outline planning proposals following their decision to vacate the site by the end of 2020 to move closer to the residents they serve. In parallel, Surrey County Council are exploring developer interest.
